June -
August 2019

Hello!! - its been a long time coming but we finally have some lovely workshops to present to you in 2019.

Here at Which Craft? we aim to both inspire and help you with all your paper crafting - whether it be making cool birthday gifts or saying Happy Birthday or thank you to a friend. We are trying something slightly different this session, we are introducing craft workshops as well as paper craft workshops - giving the opportunity to try something a bit different like flower making pebble painting, altered books and canvasses.

So browse through our workshop list and see if there is something that catches your eye and if you need more details just get in touch and we will be happy to help.

Don't forget it is essential to **book your workshop**, even if its very last minute, as you will not be guaranteed a place if you don't, or if we need to cancel we won't have your details to let you know.

PLEASE NOTE -

Dates for your diary Next **Stamp Magic Show will be**
Sunday **October 13th**

I would like to thank you for your ongoing interest and support - this year has not been the easiest - but it is so important to small retailers that you help with your custom and help to keep us in business

Hope to see you soon

Paula :)
